Lehman Brothers Holdings Inc., et al., v. Credit Suisse, et al.,  
Adv. Proc. No. 13-01676 (SCC)

Dear Diane:

I write on behalf of the Credit Suisse Defendants ("Credit Suisse") in the above-referenced adversary proceeding. Enclosed please find Exhibits A-D.

Exhibit A identifies documents that Credit Suisse believes contain information relied upon by traders to determine close-out values for their Lehman-facing rates trades, including rates trades within the EMG business. Exhibit A also identifies the trader or traders Credit Suisse believes were responsible for closing out these positions.

Exhibit B identifies documents that Credit Suisse believes contain information relied upon by traders to determine close-out values for their Lehman-facing trades specific to the Structured Products Group. Exhibit B also identifies the trader or traders Credit Suisse believes were responsible for closing out these positions.

Exhibit C identifies documents that Credit Suisse believes contain information relied upon by traders to determine close-out values for their Lehman-facing commodities trades. Exhibit C also identifies the trader or traders Credit Suisse believes were responsible for closing out these positions.

Exhibit D identifies documents that Credit Suisse believes contain information relied upon by traders to determine close-out values for their Lehman-facing FX trades, including FX trades within the EMG business. Exhibit D also identifies the trader or traders Credit Suisse believes were responsible for closing out these positions.

In addition to the documents cited in Exhibits A-D, Credit Suisse traders relied upon information reflected in the Microsoft Access Database (CS00372280) and the trade-level information reflected in the documents provided to Lehman on January 9 and January 14. (Jan. 9, 2018 Email from N. Denning to D. Cafferata; Jan. 14, 2018 Ltr. from N. Denning to D. Cafferata.)

Sincerely,

  
Darin P. McAtee
